

Moanalua High School Application for Geographic Exception Orchestra and Orchestra Ensemble

Dear Parents,

As requests for GE to Moanalua High School increase every year, openings become more competitive and scarce. Orchestra and Orchestra Ensemble is one of our special programs that may be used as a reason for GE. Please indicate one of the following to list down under reason for GE:

String Students:

“Orchestra” indicates that your child plays a string instrument (violin, viola, etc.).

Band Students:

“Orchestra Ensemble” indicates that your child is participating in the band or winds program. (flute, clarinet, percussion, etc.).

Please indicate your reason for GE(Orchestra or Orchestra Ensemble) along with your child’s instrument.

Please remember that we cannot guarantee anyone’s GE acceptance. This will be determined by the school administration. Special programs, lottery ranking, and recommendations by your child’s current music teacher are all factors to be considered. In addition, your child may be asked to perform a live audition to verify his/her musical skill level.

- **Geographic Exception Form, Recommendation Letters, and attached Applicant Information Sheet should be submitted to the Moanalua High School Administration Office. All applications are dated upon arrival. Don’t be late!!!**
- **Be certain to obtain all documents and approvals as indicated on the form. Any discrepancies in regards to form information can cause delays in your application submission.**
- **Please include a self addressed stamped envelope with your application.**

We will do our best to accommodate our ambitious music students. Music is a special program that should not be denied in any child’s education. If you have any questions, feel free to call me at 831-7905.

Sincerely,

Elden T. Seta
